LEAGUE TO HAVE TREASURE HUNT SUNDAY EVENING

On Sunday evening the Young People's Service League will have for its program a Treasure Hunt on Bible stories and Biblical characters. This promises to be very interesting as well as entertaining for all. Those present will be divided into several groups which will compete against each other in the Treasure Hunt.

The League is very happy to have additional new members who were welcomed last Sunday night. An interesting group of programs has been arranged for the next few weeks including a debate, a movie, short talks, and two short plays. The programs are arranged in an effort to interest as many young people as possible. If there are young people who haven't been to a League meeting, why not come and visit Sunday night to see for yourself and decide.

ANOTHER APPEAL FOR WOMEN TO SEW

A few more women came to help with the sewing in the Settlement Guild last Tuesday, but still more are needed. And surely there are more women in Christ Church who could go to the Centennial Club each Monday to assist with sewing in the Red Cross. This is most urgent.

REALISM

If we are to remain free and live effectively in these times, when old ways are passing and a new world is enduring the birth pangs of world revolution, it is required that we look beyond and beneath present problems and come to some understanding of what life is all about. For nineteen centuries the Christian Religion has thrown illumination on such matters.

But most people in our time do not know what Christianity is or teaches; it has become to most of them not much more than a vague and polite conventionality. As such, Christianity is meaningless. Is it not about time that we take the trouble ourselves to find out and then to teach our children what Christ reveals about man, about why civilizations drop into anarchy, about why individual lives mostly come to frustration and unhappiness, about God and what God can do in us to make the earth enduring?—*B. I. Bell.*

DO SOMETHING

"Edward Everett Hale offers a guiding principle of life worthy of serious thought. He says: 'I am only one, but I am one. I cannot do everything, but I can do something. And I will not let what I cannot do interfere with what I can do.'

"Let's make this our individual motto, and by regular church attendance, earnest prayer, and financial support, do our utmost to help lift up Christ to a dying world."

USHERS — Messrs. Richard Drew, Lester Fox, W. H. Hobbs, R. A. Parker, M. Van Smith, Dr. R. S. Duke.

ALTAR FLOWERS—The flowers are placed on the Altar Sunday in memory of Mrs. Leslie Warner.

We must alter our lives in order to alter our hearts, for it is impossible to live one way and pray another.

MISSIONS REPORT TEAM TO SPEAK WEDNESDAY EVENING

The Presiding Bishop, the Rt. Reverend Henry St. George Tucker, has arranged for a team from the Mission Field to make reports to the Church this autumn. One of these teams is to visit the Diocese of Tennessee next week. This team consists of the Rt. Reverend Bland Mitchell of Arkansas, and Mrs. Harry B. Taylor of Anking, China. Bishop Mitchell and Mrs. Taylor will speak in the Parish House of St. Ann's Church at 7:30 p. m. (Wednesday, November 11). This meeting is arranged for the Nashville area. It is hoped that a large delegation from Christ Church will attend. The primary purpose of the report is to awaken Church leaders to opportunities, needs and dangers of the situation both at home and abroad, and to inspire them to seize upon this moment for a great advance in every phase of the Church's life. A further purpose is to acquaint Church leadership with conditions in those areas from which missionaries have recently returned as a result of the war.

DAILY LETTER

Within the next day or two each family or individual in the Parish should receive an envelope containing a series of "DAILY LETTERS." These letters describe the work and activities of Christ Church by the days of the week. We believe that it will be interesting to all our people to get this comprehensive view of the program of their parish. We recommend that these letters be read by the entire family, preferably at some meal when the entire family is present. We recommend also that each letter be read on its own day. Watch for your envelope. If you do not receive it by Monday let us know!

THE BEAUTY OF HOLINESS

Sitting in Lincoln Cathedral, and gazing at one of the loveliest of human works—as the angel choir has been described—there arose within me, obliterating for the moment the thousand heraldries and twilight saints and dim emblazonings, a strong sense of reverence for the minds which had executed such things of beauty.

What manner of men were they who could, in those dark days, build such transcendent monuments? What was the secret of their art? By what spirit were they moved?

Absorbed in thought, I did not hear the beginning of the music, and then, as a response to my reverie—and arousing me from it—rang out the clear voice of the boy leading the antiphon, "That Thy power, Thy glory, and the mightiness of Thy kingdom might be known unto men." Here was the answer.

Moving in a world not realized, these men sought, however feebly, to express in glorious structures their conception of the *beauty of holiness*, and these

works—our wonder—are but the outward and visible signs of the ideals which aminate them.

Practically to us life offers the same problems. Still the ideal State, the ideal Life, the ideal Church—what they are and how best to realize them—such dreams continue to haunt the minds of men, and who can doubt that their contemplation immensely fosters the upward progress of the race?

DR. CARR FORUM SPEAKER

Dr. Wesley Carr, Professor of Bible and Missions in Scarritt College will be the speaker at the meeting of the Young People's Forum Sunday evening at six o'clock.

Dr. Carr will speak on Brazil. He is thoroughly familiar with his subject, having spent fourteen years in Brazil.

Separation of Good and Bad

Those who have lived wickedly in this life, however, and who finally refuse God's offer of love and mercy, are given over to the undisputed dominion of evil. This is their punishment, and it is a condition so terrible that the sacred writers liken it to the most intense sufferings of this life.
